

Pearson Nursing Reviews & Rationales: Health & Physical Assessment (Reviews and Rationales)

Essential for course review and NCLEX review, this resource is a complete, concentrated outline of Nursing Assessment. Each chapter contains objectives, pre- and post-tests with rationales, vocabulary review, practice to pass exercises, critical thinking case studies, as well as NCLEX alerts. Prentice Halls Nursing Reviews & Rationales Series includes a bonus NCLEX-RN Test Prep Companion Website, to provide additional review. Content includes all of the need-to-know information covering all of the components of making a nursing assessment including: nursing history, psychological and social examination, physical examination, and the documentation of the assessment, and much more!
