

## Princess, Secrets to Share

As the worlds attention traces the reluctant social advances in the Middle East, Princess Sultana and her female friends and family have stepped forward to rescue young women in the region who are cruelly mistreated by their husbands, their fathers, and the brutish ISIS soldiers who kidnap them. But inside the Princess lavish Saudi Arabian palace, sparks of anger and bolts of fear crackle because of the secrets kept to forward her efforts to help women and children. Kareem is furious when Sultana guards Mahas secret to volunteer to help traumatized children at a refugee camp in Turkey. When a beautiful Yemeni woman visits the royal palaces of Saudi Arabia, Sultana is saddened yet mesmerized to be told the story of the womans seven marriages. Meanwhile, Kareems father takes a new wife - and Princess Sultana is blamed.
