

Private Views: Inside the Worlds Greatest Homes

This dazzling sequel to Hollywood at Home takes readers on an international tour of the most spectacular homes that have graced the pages of Architectural Digest, the worlds leading design publication since Paige Rense became editor in chief in 1970. Featuring thirty homes, Private Views collects in one volume the best in interior design and architecture as determined by Paige Rense and her editors. Readers will learn the virtues of island living through David Bowie and Imans idyllic Caribbean retreat; take in the breathtaking views from Giorgio Armanis cliffside villa; wander the rooms and sprawling grounds of the Duke and Duchess of Northumberlands castle; and tour Catherine the Greats Chinese-inspired jewel box of a house, among many others.
