

Punisher War Journal #14

Written by Matt Fraction. Illustrated by Cory Walker. Kravens back, and Frank Castles on the hunt in this, the second part of HUNTER/HUNTED. The son of Kraven has gone mad and begun collecting a menagerie of varied and villainous animal characters. The latest baddie hes hunted down? The RHINO, who he swooped in and kidnapped before The Punisher could frag him. Bad idea. So: Kraven hunts the underbelly of the Marvel Universe to build his posthuman zoo. Punisher hunts Kraven. G.W. Bridge hunts the next member of his team. And what about Rhino? How does HE feel about all this? Not good. Not good at all. Surely its a bad day for somebody. Hooray! Parental Advisory
