

Queering History

Emma is a quiet, unobtrusive high school student who also happens to be queer. Her high school history class is turned upside down by a visit from her Fairy Queen Godmother, Kinsey Scale and his Gaggle of Historical Gays. Written in collaboration with LGBTQIA Homeless Youth, *Queering History* explores how our world might be different if LGBTQIA history was taught in our schools. A multi-character play for ages 14 and up, *Queering History* is the perfect script for a high school theatre program, a Gay/Straight Alliance, audition monologues for youth, or for any young person frustrated by the lack of LGBTQIA history taught in their schools. A version for High Schools is also available, just search *Queering History: High School Version*
