

## Peter Pan (I Birilli) (Italian Edition)

Chi non conosce la storia di Peter Pan, eterno bambino che vola e che si rifiuta di crescere, trascorrendo un'avventurosa infanzia senza fine sull'isola di Neverland, capo della banda dei Bimbi Smerduti, in compagnia di sirene, indiani, fate e pirati? Non tutti però sanno che il famoso cartone è ispirato a due opere letterarie della penna del grande autore Barrie. In più, in occasione dell'uscita della nuova serie animata 3D, targata Walt Disney, uno speciale inserto di pagine a colori.
