

Coming Home (Mother & Child Reunion)

A house filled to the rafters with love. That was all Cleo Channing ever wanted. And when Malcolm Channing walked into her life and swept her off her feet, she soon had it all the house, an adoring husband, three beautiful children. But their firstborn was a troubled girl, who brought the family unimaginable pain. Finally there was nothing left for Cleo and Malcolm to do but dismantle the house built on love and for them all to go their separate ways. Now their daughter has returned, forcing Cleo and Malcolm's worlds to intersect once again. Making them wonder if their family and their love ever truly died. Maybe sorting through the ashes of the past can usher in a new era of hope. Except, the treacherous issues that once drove them apart still remain.
