

# Real-World Wireless Sensor Networks: 4th International Workshop, REALWSN 2010, Colombo, Sri Lanka, December 16-17, 2010, Proceedings (Lecture Notes in Computer Science)

This book constitutes the refereed proceedings of the 4th International Workshop on Real-World Wireless Sensor Networks, REALWSN 2010, held in Colombo, Sri Lanka, in December 2010. The 11 full papers and the 5 short papers presented were carefully reviewed and selected from 34 submissions. The papers are organized in topical sections on applications; OS support and programming; communication & MAC; and poster and demonstration abstracts.
