

Perfect Partners? (The Fox & Fisher Detective Agency)

Lindsay Fox and Nathan Fisher couldn't be more different. In fact, she knew after her one-year stint with the NYPD, she'd driven her former partner as crazy as he'd driven her. He was even part of the reason she left the force, although she'd never admit that to him! So she's more than a little surprised when Nathan answers her ad for a new investigator. Working together now they discover a delicious chemistry beneath their differences. Could they actually become more than partners? Then they take on the challenge of an unusual case one that reminds Lindsay of her own painful past. Her instinct is to push Nathan away. But can she take a bigger risk and let him in?
