In Linda Cajios smart and sexy romance, a bold architect challenges a beautiful, reclusive videogame designer to play for keeps. It is Adam Robertss face that Diana Windsor needshis gorgeous, rugged, perfect face. But persuading Adam to let her immortalize it in her latest videogame demands a little paybacka date. But for a self-styled computer nerd with zero experience in romance, Diana is stunned by her attraction to Adam, especially since hes the brother of her biggest competitor. And when spies and sabotage intrude, Diana wonders if Adams silky touch and sweet words are after something more than her body. Actually, Adam wants nothing more than to seduce Diana, but not for the reasons Diana has accused him of. Her sweet nature, her brilliance, and her guileless approach to life make her very vulnerable in a predatory world. He wants her, now . . . and forever. And hell put his best moves into showing her that in the game of love, everybody wins. Includes a special message from the editor, as well as excerpts from these Loveswept titles: The Redhead and the Preacher, Raven and the Cowboy, and Ride with Me.
