

Residential Housing and Interiors Teachers Resource Guide

Residential Housing & Interiors acquaints students with planning, building, decorating, and landscaping a home, and working in the housing industry. An expanded teaching guide includes student handouts and transparencies to enliven your lessons. Chapters 21, 23, and 30 cover the practical aspects of choosing suitable housing. Each text chapter includes a list of Internet resources. Appendix includes: topographical, plumbing, electrical, and climate control symbols; common sizes of living room furniture, bedroom furniture, bathroom fixtures, and kitchen cabinets; common sizes of windows; and much more. The Instructors Resource CD includes the entire contents of the Instructors Resource Portfolio plus EXAMVIEW Test Generator Software all on one CD. The Presentations for PowerPoint examine each chapter of the text, featuring the key points of each chapter illustrated with many photos and line art.
