

## The Sentry: An Elvis Cole - Joe Pike Novel

Dru Rayne and her uncle fled to L.A. after Hurricane Katrina, but now, five years later, they face a different danger. When Joe Pike witnesses Dru's uncle beaten by a protection gang, he offers his help, but neither of them want it - and neither do the federal agents mysteriously watching them. As the level of violence escalates, and Pike himself becomes a target, he and Elvis Cole learn that Dru and her uncle are not who they seem - and that everything he thought he knew about them has been a lie. A vengeful and murderous force from their past is now catching up to them, and only Pike and Cole stand in the way.
