

Sams Teach Yourself Macromedia Studio MX 2004 All In One

Sams Teach Yourself Macromedia Studio All in One has all the answers for beginning users of Macromedia's Web design and development products in one big, easy-to-use book. It doesn't assume the reader wants to learn how to use just one product, but covers multiple products and technologies together in a logical, well-integrated fashion. A compendium of multiple reference books in one volume, this book is designed for the beginner who wants to buy just one book that is likely to answer all his current -- and future -- questions on the most recent versions of:

Macromedia Dreamweaver
Macromedia Flash
Macromedia Fireworks
Macromedia Freehand
