

Santiagos Command. Kim Lawrence (Mills & Boon Hardback Romance)

The truth behind the scandal...Santiago Silva is appalled to discover that his feckless half-brothers latest love interest is infamous femme fatale Lucy Fitzgerald - who clearly thinks the Silva fortune is an easy target! Simmering with fury, the formidable Santiago steps in to show her just how wrong she is. Santiago is well accustomed to resisting dangerous attraction, but Lucys alluring naivete shocks him. The safest place for a woman with so devastating a beauty is clear - with him! After all, without a heart to break, hes the only man who can take her on without losing himself...
