

Saunders Computerized Assesstest for NCLEX-RN (CD-ROM for Windows and Macintosh)

This software helps students assess their knowledge of the material on the NCLEX-RN, identify their strengths and weaknesses, and develop an effective study plan. The program generates 100-question practice exams that simulate the content and format of the latest NCLEX-RN test plan. Exams are randomly generated from a pool of 1200 questions, so users can take multiple tests without repetition.
