

## Second Chance Summer (Cedar Ridge Book 1)

RESCUE ME Cedar Ridge, Colorado, is famous for crisp mountain air, clear blue skies, and pine-scented breezes. And its the last place Lily Danville wants to be. But she needs a job, and theres an opening at the hottest resort in her hometown. What has her concerned is the other hot property in Cedar Ridge: Aidan Kincaid-firefighter, rescue worker, and heartbreaker. She never could resist that devastating smile . . . The Kincaid brothers are as rough and rugged as the Rocky Mountains they call home. Aidan has always done things his own way, by his own rules. And never has he regretted anything more than letting Lily walk out of his life ten years ago. If anyone has ever been in need of rescuing, she has. What she needs more than anything are long hikes, slow dances, and sizzling kisses. But that can only happen if he can get her to give Cedar Ridge-and this bad boy-a second chance . . .
