

Too Tough to Tame (Secret Sisters)

MR. ICEShed painted notorious corporate raider Dominic Chakarlis as she saw himhard, ruthless, predatory. The man had destroyed her family, and now he set his sights on her: the woman whod dared capture the truth on canvas. Kelly MacLeod had prepared herself for anything where her nemesis was concernedexcept the unwelcome feelings of need and compassion, when what she wanted most was turnabout.And turnabout she got.This self-made survivor whom shed hated for years initiated her to a passion shed never known possible. But Nick was a man who detested deception, and Kelly was a woman who just discovered that her whole life had been a lie.
