

Sentimental Education; Or, The History of a Young Man. Volume 1 (illustrated)

Based on Flaubert's own youthful passion for an older woman, *Sentimental Education* was described by its author as the moral history of the men of my generation. It follows the amorous adventures of Frederic Moreau, a law student who, returning home to Normandy from Paris, notices Mme Arnoux, a slender, dark woman several years older than himself. It is the beginning of an infatuation that will last a lifetime. He befriends her husband, an influential businessman, and as their paths cross and re-cross over the years, Mme Arnoux remains the constant, unattainable love of Moreau's life. Blending love story, historical authenticity, and satire, *Sentimental Education* is one of the great French novels of the nineteenth century. Includes vintage illustration!
