

Mystery: sun powered a car (Suspense Suspense Mystery Thrillers cozy series) (private investigation fun mystery short stories)

It was simply one more lousy average day for a has-been TV news reporter. Malcolm was past his prime. What's more, at age 57, he'd long abandoned his fantasy of sitting in the grapple seat. Be that as it may, the assignments he'd been getting as of late were simply out and out debasing. It was a three-hour drive back to the city. He was starving. Didn't they in any event have a McDonald's in this crummy little town? He chose to stop at the following eatery he saw regardless of what it resembled.
