

## Sharpes Honor: Book XVI of the Sharpe Series

Alas, a perfect plot for Napoleon: Stop Wellingtons forces in Spain and destroy Major Richard Sharpe. An unfinished duel, a midnight murder, and the treachery of a beautiful prostitute lead to Sharpes imprisonment. Condemned to die as an assassin, he is the pawn in a plot conceived by his archenemy, Pierre Ducos. Caught in a web of political intrigue for which his military experience has left him fatally unprepared, Sharpe becomes a fugitive - a man hunted by both ally and enemy alike.
