

# Paradiso: Complete Text with Integrated Study Guide from Shmoop

You get the full original text of this book interwoven with a smart, plain-spoken guide to the characters, quotes, themes, symbols, and more from Shmoop. *Paradiso* was published in the years 1307-1308, and in it, Dante offers up his last of three parts of the epic poem known as the *Divine Comedy*. In *Paradiso*, Dante relates his (fictional) journey through the last of the *Divine Realms*: Heaven (or *Paradiso*). In comparison to the first two parts of the *Divine Comedy*, *Paradiso* focuses much more on theological and philosophical discussions than on plot or politics. In *Paradiso*, Dante warns his readers that only few will be pure and worthy enough to make it to the end of the poem. In other words, the somewhat thorny philosophical and theological discussions in *Paradiso* are kind of like filters designed to weed out readers in order that that only the best (like Dante) are able to stick to see God in the end. Designed exclusively for Kindle readers, Shmoop Classics for Kindle offer the original text of some of the greatest works of literature with a built-in interactive guide to help you dig deep into the characters, symbols, themes, and big questions of the book. For the student and the life-long learner alike, take your classroom on the road and build your brain muscles daily. No need to weigh your backpack down, no need to waste paper, no need to get sleepy in class. Shmoop is here to make you a better lover of literature and to help you discover connections to other works of literature, history, current events, and pop culture. You'll find thought-provoking character analyses, quotes, summaries, themes, symbols, trivia, and lots of insightful commentary. Key quotes from the original text are linked to deep analysis from Shmoop. Academics from top universities, including Stanford, Berkeley, Harvard, and Columbia, have written content designed to engage you and to get your brain bubbling. With Shmoops

fun, conversational, and accessible tone, you'll feel as though you are chatting with friends over coffee. These interactive study guides will help you discover and rediscover some of the greatest works of all time. For more information, check out <http://www.shmoop.com/ballyhoo/kindle-e-books.html> Best of the Internet - PC Magazine Shmoop impresses me because it is intentionally about learning, and the joy of learning, not just about passing courses and jumping through educational hoops. - Paul Hamilton, teacher and education blogger Shmoop features deep analysis of topics in history and literature, sprinkled with a heavy dose of wry humor. eSchoolNews
