

## Storm Runner, Spirit Horse: Mustang: Book 2 (Volume 2)

Little Owl is a Cheyenne girl who wants to be a woman warrior and trainer of fine warhorses. She captures a fine grulla paint filly from a wild horse band that she names Storm Runner, and begins Storm Runners training as a buffalo runner and war horse. Before her dreams can be realized, Storm Runner is stolen and Little Owl embarks of a journey of many months, which takes her from what is now central present-day Wyoming, to the Medicine Wheel in the Big Horn Mountains, down into Thermopolis, land of hot springs and healing waters, to what is now Jackson Hole, and a mountain man rendezvous. The journey is filled with astonishing scenery, and unusual characters, before she finds her horse again. Once back at the tribe, she is accepted as a warrior, and raises many fine horses from Storm Runner.
