

## Prince Baby (Silhouette Romance)

Subject: DONT PANIC ABOUT THE BABY!

Yes, the rumor that Princess Lucy Santos of Xavier Island went into labor moments after showing up on my doorstep is true. Fortunately, Ive convinced Lucy to stay with me until we can resolve where baby Owen will be raised. Dont be concerned about Lucy and my past because that lust is all behind us. At least, I think it is. Ill do anything to ensure my son is raised as a normal boy not a future king. Of course, making Lucy my wife so that we could be a normal family would just be +cing on the cake.
