

Sleepaway Girls

When Sams best friend gets her first boyfriend, shes not ready to spend the summer listening to the two of them call each other pookie. Sick of being a third wheel, Sam applies to be a counselor-in-training at Whispering Pines camp in the New York Catskills. But what she doesnt realize is that its not going to be all Kumbaya sing-alongs and gooey smores. If Ashley, the alpha queen of Whispering Pines, doesnt ruin Sams summer, then her raging crush on the surfer-blond and flirtatious Hunter just might. At least she has playful Cole, whos always teasing her, but is oh-so-comfortable to hang out with, and the singular gang of girls that become fast friends with Sam-they call themselves the Sleepaway Girls.
