

NutriBullet Recipe Book: Slim Smoothies! 81 Super Healthy & Fat Burning NutriBullet Smoothie Recipes to Lose Weight and Enhance Health

There's a new kid on the smoothie block--the NutriBullet! The powerhouse of all pulverizers, this handy gadget puts other blenders to shame when it comes to creating sensational smoothies! Because the NutriBullet breaks through everything--skins, seeds, stems, nuts--it is ideal for making healthy, nutritious drinks from the best natural foods. Until now, most blenders promised the world but didn't deliver. The NutriBullet, however, with its 600-900 watt torque motor and stainless steel extractor blades that never need sharpening, delivers everything promised and more--delighting NutriBullet users all over the world. Until now, NutriBullet users haven't had a great range of recipes specifically for their machine with nutritional info provided. Many NutriBullet recipe books are rather dull or redundant and don't provide much variety or information for the NutriBullet user. Enter THE NUTRIBULLET RECIPE BOOK: SLIM SMOOTHIES, a cornucopia of delicious recipes designed to turn anyone into a smoothie-a-holic! These NutriBullet recipes target a variety of health areas under the guise of addictively delicious drinks.
