

## Small-Town Family

He wants the truth Journalist and single dad Dylan Smith is on assignment looking for the father he has never known. He finds himself in Sturgeon Falls with barely any information, and there's only one person who seems able to help him. But she won't tell him. After a lousy marriage that punctured her self-confidence, charter captain Charlotte Burns isn't prepared for Dylan's charm. She finds herself wanting to help Dylan uncover his elusive past until one night of passion gives her an unexpected lead. Now helping Dylan and falling for him could destroy the one man Charlotte loves more than any other.
