

Road Rage, Commuter Combat in America (First)

Road Rage, Commuter Combat in America addresses the ever-increasing problem of road rage in our country with a message that bad attitude kills. This book is divided into three sections: 1. The Tragic Stories-Details over 40 real life and death accounts of road rage altercations. 2. The Many Causes-Examines many of the practical causes of road rage in our society today. 3. The Keys to Survival-Learn some keys to highway survival. By reading this book you will learn what to do and what NOT to do if you find yourself in a road rage altercation. This book is a must read for today's teenager and the younger generation. Also, for anyone who tends to be aggressive behind the wheel. Attitude kills!
