

Bombshell

Copywriter Ruby Sugars is in a rut. Her life consists of the following: long hours, boring neutral colors, and regular fat shaming from her stick-insect-looking boss. But Ruby isnt really a Bland Betty - shes a complete Bettie Page hottie, with an enviable collection of vintage couture and very naughty vixen lingerie. Now if only she could channel that girl into her real life.... Cue Rubys best friend, whose recent fixation is fantasy matchmaking. Shes decided that all Ruby needs is one night with a sexy, delectable man...one with a serious thing for curvy pinup girls. And Lancer is hot enough to make any girls fantasy come true. For one night its pure, X-rated hotness. But come the next morning, this brand-spankin-new bombshell will get the shock of her life when the man she vowed to see only once shows up again...as her new boss.
