

Spanish Colonial or Adobe Architecture of California: 1800-1850

In California, authentic Spanish colonial houses were built with local materials for comfort and convenience, with both construction and ornamentation traditional of Spanish and New England settlers. This book gives architects, home builders and historians a chance to view photos, sketches, and twenty-six full pages of measured drawings of interior and exterior doorways, paneling, balconies, wrought-iron, and mantels most from houses that are no longer standing.
