

Springwar (Bantam Spectra Book)

From the author of Bloodwinter comes the continuation of that epic tale, as two rival kingdoms clash while heroes, heroines, and rogues on both sides-and no side-vie for control of a world-altering magic more powerful than anyones wildest imaginings.SpringwarAs the realm of Eron sits frozen in the grip of winter, two men struggle through the snow-clogged Wild toward the citadel of their king:the arrogant goldsmith Eddyn, haunted by his past crimes, and his bitter rival, Avall, anxious to increase the power of his clan.Each man brings news of a magical gem discovered in the northern mines.Meanwhile, Avalls twin sister, Merryn, and her lover, exiled prince Kraxxi, have been captured by Kraxxis outraged father.As Ixtis king readies his first assault in a devastating war against an unsuspecting Eron, he will force Merryn and Kraxxi to terrible betrayals that will bring Erons fall ever nearer.As the armies of Ixti crash across the border, Avall and Eddyn must seek their destinies. For each knows the power of the magical gem and can use it for unbelievable good-or unimaginable evil.
