

Standing in the Shadows

Ex-FBI agent Connor McCloud can never forget the day he was set up to die at the hands of trusted friend and fellow agent Ed Riggs. Hard justice and loyalty to his badge have cost Connor what he wants most - Eds shy, studious daughter Erin. He can never have her now, but her beauty still haunts and torments his every waking hour and his most fevered erotic dreams. But now that his old enemy Kurt Novak has returned, Connor is prepared to do anything to protect the vulnerable young woman from a killer who has vowed a brutal payback . . . a killer with a predators lethal patience.
