

Study Guide for Adult Health Nursing, 7e

Get more out of your textbook with this helpful study tool! Corresponding to the chapters in Cooper and Gosnell's Adult Health Nursing, 7th Edition, this study guide helps you learn, understand, and apply the fundamentals of LPN/LVN nursing. Hundreds of labeling, matching, and fill-in-the-blank questions are included, each with textbook page references. It also includes critical thinking questions based on clinical scenarios, and multiple-choice and alternate-format questions to help you review for the NCLEX-PN examination. Learning activities help you meet content objectives, and include crossword puzzles, labeling, matching, completion, identification, NCLEX exam-style multiple-choice review questions, and critical thinking questions. Page references are included for all activities except for the critical thinking questions, to facilitate your review. NEW! An increased emphasis on NCLEX review prepares you more effectively for the NCLEX-PN examination, with more NCLEX-style alternate-format type questions and more critical thinking activities.
