

## New London Style

Here is a peek into the private dwellings of London's most exciting young talents from the worlds of music, fashion, design, and art. Their new London style takes many forms, but above all it expresses a creative sensibility against the backdrop of one of the world's most exciting cities. The twenty-eight houses in the book are loosely arranged by neighborhood and reflect the cosmopolitan melting pot that influences the city's design trends. 371 photographs, 350 in color
