

City Abstractions 2016: Abstract Artworks (Calvendo Art)

This series of abstract paintings intends to illustrate the movement, colour, style and atmosphere of the featured cities using non figurative forms. The City Abstractions series was created using vibrant colours and sweeping strokes of pen, brush and pencil, encouraging the imagination to create further imagery of city life, sights, sounds and smells. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
