

A New Kind of Christian: A tale of two friends on a spiritual journey

The first instalment of Brian McLaren's trilogy recounts a lively and intimate conversation between fictional characters Pastor Dan Poole and his daughter's high school science teacher, Neil Oliver. They reflect together about faith, doubt, reason, mission, leadership, and spiritual practice in the emerging postmodern world. *A New Kind of Christian* offers a tale of hope and spiritual renewal for those who thought they had to give up on faith, God and church.
