

## Summer Blowout

Bella Shaughnessy is addicted to lipstick with names like My Chihuahua Bites and Kiss My Lips - an occupational hazard, since she works at Salon de Paolo, her family-run beauty salon, along with her four half-brothers and sisters. The owner is her father, Lucky Shaughnessy, a gregarious, three-times divorced charmer with Donald Trump hair who is obsessed with all things Italian. After Bellas own marriage flames out spectacularly when her half-sister runs off with her husband, Bella decides she has seen enough of the damage love can do. She makes a vow: no more men. But then Bella meets a cute entrepreneur, and despite their bickering, they cant seem to stay away from each other. A small, well-tressed dog also finds her way into Bellas life, and her heart, and she decides to chance that, too. When the whole clan heads to Atlanta for a big Southern wedding, sparks fly - in a summer blowout no one will ever forget.
