

Hard Passage (Superbolan)

Acting as unofficial backup to a CIA mission threatening to go hard, Mack Bolan is ready for action on the frigid streets of St. Petersburg, Russia. Soon a mix of blood and intelligence creates a picture of a deal brokered between militant Russian youth gangs and Jihadists aimed at the United States. With too many pieces missing from the puzzle, Bolan plays the game he's played and won countless times before: shake up the enemy's infrastructure, derail its timetable and declare total war. But the fuse is lit all the way to the streets of Portland, where America's most violent gangs are being armed and primed to unleash the enemy's ultimate, shocking agenda.
