

Surrender to the Past

Mia Burton thinks she's seen the last of Ethan Black, the man who haunts her heart. She wanted to forget him, but can you really dismiss from your mind the most magnificent man you've ever met? He's a painful reminder of her troubled past and she needs him to stay just a memory. But Ethan's returned in all his very real glory! Mia wonders what his motive is, because it's clear he'll do whatever it takes to win her back, including whisking her off to his luxury villa in the South of France!
