

Tales of Moonspell (Box Set)

Four women find the mates of their hearts as wolves battle vampires for control of Moonspell. *Belonging to Hayden*: Daniela has been captured by the local vampire nest in her small hometown. The last thing she expects to find at the mansion is the Alpha werewolf of her dreams. *Between Two Wolves*: Falan has lots of curves, and a little extra. Shes never been anyones ideal before. Now shes suddenly faced with not one but two hot men ready to be at her beck and call. Can she be woman enough for both of them? *Serenitys Wish*: When Serenity surrenders to the local vampire nest in order to save the alpha werewolfs mate, she knows it wont be long before her body betrays her and gives up the battle shes been fighting for months. But theres one thing Serenity doesnt count on. How is it possible that shes falling for the enemy? *Their Sinful Seduction*: Sin finds herself pregnant and alone after a single night of passion. The two men responsible made it quite clear they arent ready for fatherhood. But once the werewolves find out shes expecting their child, theyll stop at nothing to claim the woman destined to be their mate. Publishers Note: *Tales of Moonspell (Box Set)* contains the previously published novellas *Belonging to Hayden*, *Between Two Wolves*, *Serenitys Wish*, and *Their Sinful Seduction*.
