

## Understand the Middle East (since 1945): Teach Yourself (TY History)

Understand the Middle East (since 1945) is an essential guide to one of the world's most turbulent regions. It examines the origins and development of the events which have dominated the headlines for the last six decades. Covering everything from religion and politics in the aftermath of the Second World War to the Israeli-Palestinian conflict, war in Iraq and the terrorism of the present day it will change the way you think about the region. NOT GOT MUCH TIME? One, five and ten-minute introductions to key principles to get you started. AUTHOR INSIGHTS Lots of instant help with common problems and quick tips for success, based on the author's many years of experience.
