

Test Success: Test-Taking Techniques for Beginning Nursing Students

The road to nursing success begins here! A complete review of core concepts. Approximately 900 questions (Alternate format, too!) Test-taking hints and rationales for correct and incorrect answers. Practice questions in the text and online at DavisPlus introduce beginning nursing students to the variety of testing formats, including alternate-item format questions that they'll encounter throughout their nursing education and on the NCLEX exam. An easy-to-follow format organizes information into 14 content areas. Invaluable coverage enhances critical thinking, time management, and effective study habits through proven techniques, improving classroom performance and test-taking. Thoroughly updated and revised, the 7th Edition provides more alternate-item-format questions reflecting the latest NCLEX-RN test plan as well as a wealth of test-taking tips to reduce anxiety and build confidence for Test Success! What instructors and students are saying about the Success Series: We have used your products for students to help increase critical thinking skills, prepare for NCLEX and course exams, and for review of nursing content. We recommend students purchase the Success Series and review the content and questions for remediation and to enhance nursing knowledge. The terminology at the beginning of each chapter provide key terms for the students to review before answering questions. The books are all encompassing in regards to what students need to review across the curriculum. We love them!! Louise Outlaw, Instructor at Brown Mackie College, St. Louis I love the Success books because of the rationales that explain the answers. My test scores definitely went up after I found these books. Sakina Mahama, Student at Georgia Baptist College of Nursing Mercer University, GA The Success books are absolutely essential to my study regime. I
