

Top 10 #5

Under the streets of Neopolis, there's a manhunt going on, except the quarry isn't anything close to a man. The Libra Killers trail grows warmer as Sergeant Kemlo Caesar guards a potential victim and starts to wish for the dull routine and security of his desk job back at the station. Join the men, women, dogs and mutants of Neopolis Finest as things take a decided turn for the dark and creepy around Precinct Ten.
