

Answers Book for Kids Volume 1

The story of Creation and Adam and Eve in the Garden of Eden are familiar Bible stories. But they also present a wonderful opportunity to share important biblical truths with eagerly questioning minds through answers that even the youngest believer can understand. Look inside to learn: How did God create everything from nothing? Why was the first person that God created a boy? Why did God have Adam name the animals? The serpent talked to Eve, so why can't snakes talk today? Children are never short of questions - and now there are answers to some of their most difficult ones regarding the Bible and faith! The Answers Book for Kids series is a unique collection from Ken Ham and the creative team at Answers in Genesis. These answers will help you to impart a Biblical Worldview to Elementary aged students in your Church or Homeschool. This is the 1st book of a 6 volume set.
