

## The Art of Jonathan Green

Jonathan Green sees the world in ways that are uniquely his own, inspired by his childhood on the Sea Islands off South Carolina's Atlantic coast. The Gullah culture there, with its enduring traditions of farming and fishing, reverberates in Jonathan Green's paintings today. The Art of Jonathan Green 2004 wall calendar features 12 full-color images by the artist. Jonathan Green will donate royalties to The Piney Woods School in Piney Woods, Mississippi.
