

BLUE WEDDING (Melody The Librarian Book 3)

Melody Reed is the recipient of romantically themed gifts from a Secret Admirer. Could it be that her old friend and band mate, Gary Van Dyke, is finally getting the hint? As they rehearse together for an upcoming wedding gig, she waits for him to make a move. Unfortunately, the wedding is anything but romantic and things take a turn for the worst at the reception. What first appears to be an accidental death soon reveals itself to have no shortage of potential murder suspects among the guests. Once again, Melody finds herself sorting out who-done-it!
