

## Blackmail (Mills & Boon Modern)

Penny Jordan needs no introduction as arguably the most recognisable name writing for Mills & Boon. We have celebrated her wonderful writing with a special collection, many of which for the first time in eBook format and all available right now. Another facility's been sabotaged! And PR representative Sadie Thompson is on the case. When she's assigned to investigate the damage to her employers' oil rigs, she knows it's her chance. Finally, she can prove she's left her bad girl past behind her. Yet someone wants the evidence to disappear and is willing to threaten Sadie and Caleb, her recently paroled half-brother, to make it happen. Caleb's parole officer, Jon Garrison, is watching them both closely, waiting for one of them to slip up. He doesn't trust Sadie - can she trust him? She needs Jon's help, and has nowhere else to turn.
