

The Blue Bottle Club: Newly Repackaged Edition

Four friends gathered in a cold, dusty attic on Christmas day to make a solemn pact. Our dreams for the future, they whispered, placing tiny pieces of paper into a shimmering blue bottle. But that event happened in 1929, and it is decades later when local news reporter Brenna Delaney stumbles upon that bottle . . . and into the most meaningful story of her career. Life has taken those four girls dreams of love, fame, and faith on a path fraught with seduction, betrayal, and loss. Little has turned out as expected and yet every choice, every tear has led each of them to a special place. Brenna's search will uncover the secrets of that Blue Bottle Club . . . and her own life will never be the same. A beautiful novel about friendship and the power of faith to renew our dreams. Angela Hunt, author of *Magdalene*
