

The Boats of the Glen Carrig

The Boats of the Glen-Carrig is a horror novel by William Hope Hodgson, first published in 1907. The novel is presented as a true account, written in 1757, of events occurring earlier. The narrator is a passenger who was traveling on the ship Glen Carrig, which was lost at sea when it struck a hidden rock. The story is about the adventures of the survivors, who escaped the wreck in two lifeboats. The brooding menace in the earlier parts of the book is impossible to surpass... -H.P. Lovecraft
