

## The Bootlegger (An Isaac Bell Adventure)

Detective Isaac Bell returns in the extraordinary new adventure in the #1 New York Times bestselling series. It is 1920, and both Prohibition and bootlegging are in full swing. When Isaac Bell's boss and lifelong friend Joseph Van Dorn is shot and nearly killed leading the high-speed chase of a rum-running vessel, Bell swears to him that he will hunt down the lawbreakers, but he doesn't know what he is getting into. When a witness to Van Dorn's shooting is executed in a ruthlessly efficient manner invented by the Russian secret police, it becomes clear that these are no ordinary criminals. Bell is up against a team of Bolshevik assassins and saboteurs and they are intent on overthrowing the government of the United States.
