

The Bride Ship

A ship full of women could only cause trouble! Of that Governor Sir Robert Kerr was certain, just by considering their chaperon! Though a widow, Mrs. Jocelyn Finch was young, vivacious and utterly determined to have her own way especially with him! Challenging the governor of Halifax, Nova Scotia, to a duel was obviously a poor way to introduce herself. But when Sir Robert accused Jocelyn and her charges of something, well, less ladylike than husband-hunting, what else could she do? Besides, someone had to show this straitlaced, yet gloriously compelling figure of a man that there was more to life than doing ones duty!
